1. USE ME FOR

Hey you! I'm Coco, the cooling foam and together we are going to do this! I contain a formulation based on natural ingredients that gently alleviates symptoms of chickenpox.

2. HOW TO USE ME

When you use me the first time, please remove my cap from the bottle. Pump me twice or three times until some foam is squirted out of the bottle. If my spray function is blocked (for instance because the nozzle is not being held upright), do not cut off the tip of the bottle. Instead, squeeze a few times to squirt the spray right up into the air.

Apply the foam softly to the skin, do not rub. I'm a light and smooth foam which is easily absorbed by the skin.

Apply the foam three times daily or whenever relief is desired (for example each time the child changes clothes).

How do I work?

I'm used to provide an instant cooling and soothing effect. I also condition and protect the skin and I also take care of your skin when you have an itch, bump, sting or dry skin.

The cooling action is caused by the evaporation of the foam on the skin, which is supported and also caused by the Laureth-9 incorporated in the product. The cooling of the skin reduces irritation of the skin, thereby reducing the urge to scratch, preventing possible further damage of the skin.

The product also contains moisturizers that sooth the skin and keep the hydration optimal.

⚠ 3. PLEASE KEEP IN MIND

- Do not use me under the age of 6 months
- Use me only as directed.
- I contains small parts. Keep me out of reach and sight of young children.
- Do not use the foam when sensitive to one or more of my ingredients.
- If an allergic reaction is experienced during the treatment, immediately stop using the products and seek medical advice.
- For external use only. Do not swallow. Avoid contact with eyes and mucosa (oral cavity and genitals). Should I enter the eyes, wash the eyes with plenty of clean water. Should irritation persist, seek advice from your general practitioner.
- Wash your hands after each application.

4. MY INGREDIENTS

Aqua, Aloe Barbadensis Gel, Galactoarabinan Polyglucuronic Acid Crosspolymer, Betaine, Laureth-9, PEG-40 Hydrogenated Castor Oil, Glycerin, Sodium Coco-Glucoside Tartrate, Polyglyceryl-10 laurate, Phenoxyethanol & Ethylhexylglycerin, Panthenol, Ethylhexyl-glycerin, Allantoin, Lavandula Angustifolia Flower/Leaf/Stem Extract, Chamomilla Recutita Flower Extract, Citric Acid, Sodium Hydroxide.

5. WHAT DO I CONTAIN?

- 100ml foam dispenser
- Instructions for use

6. HOW TO STORE ME

Store me at room temperature (15-25°C) in a dry and dark place in the original container and out of reach of young children. After opening, do not use longer than 6 months.

7. KIDSNER CONTACT DETAILS

We care about your kids. At Kidsner we love to make everyone a little happier. That's why we have developed dedicated products especially for kids, which can reduce the symptoms of everyday health issues in a fast and effective way. Want to know more? Please visit Kidsner.com

All enquiries about Kidsner should be sent to the distributor.
